

Grand Junction Farmers Market

We will be performing, in front of the Wells Fargo bank on Main Street (by the chrome buffalo), on Thursday Aug 07 starting at 5:30 pm.

This should be a fun gig - we will be performing 2 sets with some dancers (probably the belly dancers) inbetween.

TK has a prior commitment so we'll have Joe Creek (aka BanJoJo) sitting in on banjo and dobro. We are also getting Arlo to sit in on a few tunes - Arlo will be playing guitar and mandolin.
